

Permits

The City of Eagleville will issue Building, Gas, Plumbing and Remodeling and various other permits. For questions please contact Eagleville City Hall at (615) 274-2922. Permits can be obtained from City Hall during regular business hours. All Electrical permits must be obtained from the State Electrical Inspectors office at #1 Public Square, Murfreesboro, TN.

What Requires Permits

- Single Family Dwelling
- Attached/Detached
- Storage Building (120 sq ft or more)
- Remodel (structural work)
- Deck, Porch, Covered Patio, Carports
- Swimming Pool
- Finishing Expandable Area
- Converting Garage to Living Space
- Moving (Houses)
- Fireworks Tent
- Temporary Parking (mobile homes, pods, moved houses)
- Portables (not for school portables)
- Safety Inspections (beer permits, change of occupancy)
- Demolition
- Special Foundation
- Mobile Homes
- Signs
- Moved-In Houses
- Sunrooms
- Commercial Buildings
- Gas installation (tanks, logs, new lines, heat and air units (hvac), appliances, hot water heater
- Plumbing (new construction and re-routing plumbing lines) not required to replace fixtures
- Flood Zone: Anyone proposing work in a flood zone - whether the work would typically require a building permit or not - should consult with City staff. Depending on the work proposed, it may be necessary to require a plan review application and related fee to ensure the proposed work will not negatively impact the flood zone.
