**3) DISCUSSION**

**a) Eagle Scout Project Proposed for Ronnie Hill Memorial Park by Brenden Tomlinson.**

Eagle Candidate Brenden Tomlinson presented his proposal for his Eagle Scout project, which is to install exercise equipment at Eagleville’s Ronnie Hill Memorial Park. He stated that he had three options to consider, however due to space and budget constraints, he recommended the third option. He noted the following:

- He would raise the funds required for the project.
- His proposal would give walkers more options for exercise.
- The proposed budget is \$5,367, for which he has a GoFundMe account to raise funds.
  - Should the City approve the project, he will begin fundraising.

City Manager Hellyn Riggins stated that the City has wanted to create an exercise trail, but lacked the funds.

Mayor Leeman inquired whether the project was insured. Mr. Tomlinson confirmed that the project would be insured.

Discussion noted the following:

- The equipment is made of steel and the benches would have cushions.

- The area's border is made of plastic.
- The equipment is commercial grade powder coated steel and molded plastic – the same materials used for commercial playground equipment.
- The timeframe is to begin construction at the end of May 2026, but Mr. Tomlinson is willing to pushback, if necessary.

Discussion culminated with Council requesting to bring this item to the March 26 Council meeting for a vote on the third option that was proposed. It was further requested that the City Manager forward this proposal to the Park Board Commissioners to elicit any questions they might have.

**b) Review Recommendations of the Eagleville Planning Commission for Ordinance 2026-001 Zoning Amendments.**

City Manager Hellyn Riggins informed Council that the first reading of this ordinance would take place at the March 26 Council meeting. She stated that this ordinance enacts zoning regulations for the property and conditions for annexation.

Ms. Riggins noted that Salem Creek Partnership could return in future to request commercial zoning designation for a portion of the property.

**c) Review Recommendations of the Eagleville Planning Commission for Ordinance 2026-003 An Ordinance Amending TITLE 16, SECTION 16-112 of the EAGLEVILLE MUNICIPAL CODE: STREET ACCEPTANCE POLICY.**

City Manager Hellyn Riggins stated that this item is being formalized at the recommendation of Management Consultant Mike Walker. She informed Council that a resolution accepting all of the streets in the City that identifies the City's responsibilities is forthcoming.

**d) Planning Commission's Report Regarding Zoning Regulations for Recreational Vehicles.**

City Manager Hellyn Riggins informed Council that the Planning Commission did not recommend creating new regulations for recreational vehicles at this time. She explained that the commission recommended that recreational vehicles be treated in the same manner as regular vehicles.

**e) Review Petition and Plan of Services for Annexation of Parcel #120 02300.**

City Manager Hellyn Riggins stated that this property is currently known as the Moore property, located at John Windrow Road and Highway 41A. She stated that Kim Storch of Pulte Group and Rob Molchan from Site Engineering Consultants (SEC) were present to answer any questions.

Ms. Riggins continued, informing Council that three resolutions would be presented in the coming weeks, should Council wish to pursue this petition. She noted that a sketch plat was in their packets.

**f) Proposal for Repairing the Cap Stones at City Hall.**

City Manager Hellyn Riggins informed Council that the stone façade around the base of City Hall is in need of repair, as it is allowing water to seep in. She stated that she wants to address this right away, before the wood rots. Ms. Riggins noted the following:

- Damaged rock would be replaced and the rocks would be resealed to the wood.
- Insulation would be added to the gap in the back of the building.

- Rice Construction, the company that conducted the demolition of the former public safety building, submitted a competitive bid for this project.

4) **NEW BUSINESS**

Management Consultant Mike Walker noted that the City had the capacity to address one-time expenditures in the current fiscal year, due to the fiscally sound year the City has experienced.

5) **ADJOURNMENT**

Mayor Leeman confirmed there was no further business and adjourned the meeting at 7:32 p.m.

**GUEST:**

Jason Diehl                      Cale Cote

**3) DISCUSSION**

**a) Downtown Eagleville Development**

Mr. Cale Cote representing FlatRock Development Group Partners, presented his proposal. He stated that he felt that Eagleville should have a place where families could go and share a sense of community. He expressed his desire to partner with the City to bring this vision to fruition. He called the development, "The Horseshoe," due to its u-shape.

Mr. Cote proceeded to review points about the development plan:

- A large, green space would occupy the center as a place to gather; noting that children could run and play as vehicles would not be permitted in this area.
- The FlatRock site would be used as an entry point from Main Street.
- It would have an anchor restaurant with shops and kiosks.
- There would be a walkway to the green space to ensure no cars.
- The Horseshoe would also have a splash pad

Mr. Cote concluded that he would like to be part of a plan to develop the area.

Council opted to review the proposal and get back to them.

Vice Mayor William Tollett stated that the project looked futuristic and questioned why FlatRock felt that Eagleville could sustain 16 businesses.

Mr. Cote responded, citing that the wait time at Eagleville restaurants is an hour, which can be a deterrent to visiting the City. He stated that more availability will draw more people to the area. He noted that Eagleville restaurants do not take reservations, making the hour wait inevitable. Mr. Cote added that there is a lot of development in the area.

Discussion ensued noting the following:

- 500 new homes will soon be built, with more new homes coming to Triune.
- There is a demand for gym classes and other miscellaneous retail.
- The Horseshoe could have a second floor for residences.
  - This is more complex for utilities and septic systems.
- Restaurants require more sewer capacity.

#### **b) Engineering Updates**

City Engineer Will Owen apologized for missing the Council Retreat held on March 21.

Mr. Owen stated that the Sidewalk Improvement Project, which encompasses sidewalks from City Hall to Church Street, was progressing. He reminded Council that this project was partially funded by the Transportation Alternatives Program (TAP) Grant. He stated that he anticipates the construction plan to be approved by the Tennessee Department of Transportation (TDOT) by late summer 2026.

Multimodal Access Grant which addresses sidewalk repair/construction from north passed the fire hall at 307 North Main Street south to the intersection with Highway 99.

City Manager Hellyn Riggins stated that the City is on target and in good standing with TDOT.

Mayor Chad Leeman asked Mr. Owen for his comments on the proposed Horseshoe development.

Mr. Owen drew attention to the fact that the proposal is for development on City property. He stated that the developer would have to purchase, lease or enter into a joint venture with the City in order to do so, though he does not profess to be an expert in this scenario. He noted that the greatest concern is the risk that the new buildings could remain vacant. Mr. Owen further stated that if it became a popular attraction, it would be a boost for sales tax revenues.

Mayor Leeman asked whether Mr. Owen had seen a project such as this before.

Mr. Owen stated that it is larger than similar projects he has seen in cities with a larger tax base than Eagleville. He noted that to sustain this project, it would require patronage from outside the City to sustain it. Mr. Owen advised that the water infrastructure is sufficient and that a small loop from the Public Safety Center connecting to Allisona Road provides a good option to the intersection, which could help transportation, though a traffic study would be needed.

Management Consultant Mike Walker advised that a lawyer would be needed to write the contract.

Discussion noted the following:

- An appraisal of the property would be needed.
- Review the developer's track record.

- The Long-Range Committee recommends a market viability study should Council decide to move forward with this project.
- The former Coach T's Restaurant proved that the City could support a fourth restaurant
  - Most of the customers were from outside the City.

Mr. Owen addressed downtown parking, stating that he sought to pair layouts with budgetary constraints. He stated that he felt 25 to 35 parking spaces could be added in the new lot. He emphasized that these spaces are strictly for the City Hall parking lot and not the grass lot behind City Hall. He noted that 20 to 30 more parking spaces could be added to the back lot.

Mr. Owen asked Council to consider how much they want to invest in a temporary use, as the corner of Main Street and Allisona Road would likely be rezoned in the next 20 years.

Ms. Riggins explained that additional space is needed at City Hall and an area for Public Works will also be needed. She emphasized that a plan for City properties needed to be devised.

Council Member Brandon Emamalie noted that interest has been expressed to purchase the lot.

Mr. Owen stated that the City would not need to do anything more than list it. He noted, however that the underground tanks could be used as a negotiation tool by a potential buyer. He continued with the following points:

- Commercial land sales require a phase I study.
- The tanks could be considered an improvement for certain buyers.
- Parking in front of City Hall is in keeping with Main Street.
- Parking in the rear would increase cost as the grassy area would need to be leveled and paved.

**c) 1. Ordinance 2026-005 Amendment to Fiscal Year 2025 2026 Budget**

Management Consultant Mike Walker stated that this amendment is a special appropriation to the budget for the current fiscal year. He explained that Sales Tax revenues have been strong and that the City can afford this one-time expenditure.

Mr. Walker stated that the first reading of this ordinance would be held in April with the second reading in May. He noted that this amendment would include the following expenditures:

- \$200,000 for park improvements
- \$160,000 for parking lot improvements
- \$15,000 for City Hall improvements; \$7,000 of which was spent on repairing the stonework.

Mr. Walker informed Council that the amendment would include the State Street Aid (SSA) Fund, as the paving project in the New Town neighborhood cost more than anticipated.

**2. Fiscal Year 2026-2027 Eagleville Budget**

Mr. Walker informed Council that the recommended budget for Fiscal Year 2026-2027 would have its first reading at the Regular Meeting on April 23; noting that the City has a Fund Balance of \$2.2M. He proceeded to emphasize specific points in the proposed budget:

- Due to the City's dependence on sales tax from one business and the current uncertainty of the nation's economy, it is best to run the budget conservatively.
- Funds are safely invested in the Local Government Investment Pool (LGIP) and Certificates of Deposit, earning 3.65%.
- A separate statement will be issued noting that the tax rate has not yet been received from the Rutherford County Assessor's office yet. Once received, a separate ordinance will be created and brought before Council.
- 58% of the budget is derived from sales tax revenues.

Council Members suggested that more retail stores were needed.

Mr. Walker continued:

- The average salary increases, based on performance, would be 5%, noting the importance of keeping salaries up to be competitive.
  - 50% of the budget is designated for salaries, which is common.
- This year, phased increases to the Debt Service Fund for the Public Safety Center will begin. An additional \$20,000 will be added to the budget for this fund, bringing the total allocation to \$224,000.
  - The phased increases will better prepare the City to sustain debt service payments for the Public Safety Center
- Sidewalk improvements will largely be funded by grants; funds for the City's portion have been set aside.
- Road maintenance costs have increased substantially, and he recommended adding funds to the State Street Aid Fund to attain a fund balance of \$75,000.

Mr. Walker proceeded to review the proposed budget:

- The General Fund is \$2,049,815 with a target fund balance of \$2.2M.
- The Debt Service Fund is projected to have an ending fund balance of \$323,000 via an appropriation from the General Fund in order to pay the loans; otherwise, a new tax would need to be enacted.
- The Capital Fund is equipped to fund projects which qualify for grant reimbursements, thereby negating the need to borrow money to fund the projects until the reimbursement is received.
- The Sewer Fund does not have notable changes, though there are grants in progress for this fund.
- The Development Impact Fund is projected to have an ending fund balance of \$255,000, assuming that 20 houses will break ground in the new subdivisions.
- General Fund expenditures are anticipated at \$2,049,411, and the budget is balanced.
- The proposed budget is increased by 7.8%. This includes a 5.2% increase in salaries and benefits. The benefits will increase with the calendar year in January 2027.
- Increasing State Street Aid by \$25,000.
- Most increases are related to property maintenance and insurance.
- Contractual fees increased; primarily due to the Parks Department budget.
- Local Option Sales Taxes are projected to be \$1.3M in revenue for the current fiscal year and \$1.2M in the next fiscal year.

- Fire Chief Jonathan Armstrong negotiated with Rutherford County to increase their contribution for the Eagleville Fire Department's (EFD) assistance from \$90,000 to \$120,000, due to over 50% of the EFD's calls are in the County and outside city limits.
- State shared revenue estimates were conservatively figured at \$107,750. The State is estimating population to more accurately estimate shared revenues.
- Court fines are projected to increase by \$58,000 due to the police department operating fully staffed.
- Apex Bank is anticipated to renew their lease of the City' building.
- The rental house was budgeted for 11 months of rent to account for potential vacancy.
- Gambling revenue is distributed per capita.
- The Eagleville Library requested a steep increase; recommended to maintain the current level of funding. The City cannot reduce its portion and any increase would need to be maintained.
- The Recruitment and Retention Grant salary supplement for the Police department phases out over 3 years.
- The Fire department Incentive Program was increased to \$30,000.
- Increases for the Parks department included professional services, maintenance and materials – this is separate from the improvements which will require a Request for Bid.
- The tax assessment rate is currently an estimate, as the Rutherford County Assessor's office has not yet published the tax rate.
- Sales tax revenue has risen 17.23% over the last fiscal year, whereas the State has had 4% growth.
- State Street Aid funds may only be spent on specific items, by law.
  - No increase in State shared Gas tax revenues.
  - \$20,000 is allocated for unforeseen repairs and grow the fund; the ending fund balance is projected at \$138,696.
- The Debt Service Fund:
  - Expenditures for emergency radios continue through 2031.
  - 3 United States Department of Agriculture (USDA) loans for the Public Safety Center:
    - \$700,000 – payments scheduled across 38 years.
    - The 2 larger loans will require payments for 40 years.
  - Total expenditures for debt equal \$282,000 per year, which has been allocated to the fund.
  - The City's debt is just above 10% of the budget; within 10% is acceptable.
- The Capital Projects Fund was created to manage expenses to build the Public Safety Center.
  - TDOT Transportation Alternatives Program (TAP) Grant is projected at \$408,184.
  - Multi-Modal Grant is projected at \$1,078,992 for sidewalks:
  - \$1,709,110 for construction, of which \$1,487,176 will be reimbursed from the grant; leaving the City a balance of \$211,934, which has been budgeted.
  - The Budget Amendment will include the following capital projects for the current fiscal year:
    - \$8,000 for City Hall improvements
    - \$225,000 for Park improvements
    - \$160,000 for the parking lot
  - Projecting an Ending Fund Balance for 2027 of \$49,452.
- Sewer Fund budget is similar to previous years:

- Projecting application for sewer with fees totaling \$10,000.
- Capital Contribution fees are proposed at \$100,000.
- Tap fees are \$5,000 per house multiplied by 20 applications equals \$100,000
- The Proposed Ending Fund Balance is \$2,591,827.
- Development Impact Fund has no expenses proposed for the current fiscal year or next fiscal year.
  - The proposed revenue is \$219,360
  - Funds collected for this account are allocated to Parks, Police and Fire departments.

**d) Resolution 2026-003 for Annexation by Owner Consent for Parcel #120-46.00-000 (Salem Creek Properties)**

City Manager Hellyn Riggins informed Council that they will vote whether or not to annex this property at the Regular Meeting scheduled for April 23, 2026.

**e) Review Ordinance 2026-001 Assigning Zoning Classifications and Criteria for Property to be Annexed Known as Parcel #120-46.00-000 (Salem Creek Properties)**

City Manager Hellyn Riggins stated that the first reading for this ordinance was held in March; with the second reading scheduled for Regular Meeting on April 23, 2026.

**f) Resolution 2026-008 - Ratification of City Accepted Streets**

City Manager Hellyn Riggins stated that under Management Consultant Mike Walker’s guidance, this resolution is to ratify all existing City streets as accepted; to include State roads, as the City patrols these roads and offers emergency services. Ms. Riggins explained that this resolution will be amended as the City accepts more streets.

**g) Ordinance 2026-002 Speed Limit Policy**

City Manager Hellyn Riggins noted that this is created by ordinance due to the fact that there is a penalty involved with surpassing the speed limit.

Ms. Riggins noted that due to road conditions and traffic, Cheatham Springs Road was set to 30 miles per hour (mph). She stated that this item would have its first reading on April 23, 2026.

**h) Resolution 2026-004 – Accept and Adopt Traffic Study Regarding Speed Limits**

City Manager Hellyn Riggins stated that Staff agreed with the Traffic Study findings. She noted that Police Chief David Breniser was working the Tennessee Department of Transportation (TDOT) to acquire speed limit signs.

**i) City Events**

**1. Date and Time of Fall Festival – Recommended September 26, 9:00 a.m. to 3:00 p.m.**

City Manager Hellyn Riggins reminded Council that the Fall Festival is held on the first Saturday in Fall.

**2. Date and Time of Tree Lighting – Recommended November 29, 4:30 p.m.**

Ms. Riggins noted that the Tree Lighting is always held on the Sunday following the Thanksgiving holiday. She explained that the Events Committee recommended to begin festivities 15 minutes earlier due to the cold weather.

**3. First Fridays**

Ms. Riggins informed Council that the Eagleville Merchants Association President Gena Loyd contacted her, to apprise her that the Association would no longer host First Fridays.

Ms. Riggins relayed to Council that the Events Committee offered to support the City in hosting First Fridays, should the City wish to manage it.

**4. 250th Anniversary of the United States**

Ms. Riggins stated that a memo from Events Coordinator Katy Sanderson was in their packet; requesting from Council direction for this item, so that the committee may plan for it.

**4) NEW BUSINESS**

City Manager Hellyn Riggins informed Council of the following events:

- Henry Horton is coming through April 26.
- On May 13, 2026, she and Mr. Walker will host the Tennessee City Manager’s Association Luncheon at the Fire Hall.
  - Police Chief David Breniser and Fire Chief Jonathan Armstrong were preparing the grounds and facilities for the event.
  - Mr. Jason Sanderson donated his time to design the landscaping at the Public Safety Center.
  - Chief Breniser is working with TDOT to fix a sign that is down and install posts for speed zones.
  - The luncheon begins at 11:30 a.m. with a tour of the Public Safety Center buildings.
  - Council Member Ryan Edwards will speak on Artificial Intelligence.
  - Public Entity Partners will provide the food.

Council Member Chris Hendrix led the Pledge of Allegiance.

**4) ADOPTION OF THE AGENDA**

Council Member Jason Blair moved to adopt the Agenda.  
Council Member Hendrix seconded the motion.  
The **MOTION** passed 4-0.

**5) CITIZENS' INPUT**

Jennifer Lamb addressed Council regarding Webb Road. She stated that she has expressed concerns with Salem Creek Properties (SCP) since May 2022 to discuss the impact development has on residents along Webb Road. She noted that communication ceased in October 2022.

Ms. Lamb explained that communications resumed in August 2025 when excavation began. She stated that they met for an onsite meeting to discuss the boundary survey, livestock fencing, buffer installation, easements and additional impacts on residents' properties. She proceeded to highlight key concerns:

1. Boundary survey discrepancies – SCP informed her that her fence encroached on their property by 3 feet. Ms. Lamb stated that her family had installed the fence in the 1980's. She explained

that she hired a surveyor and SCP had the property line surveyed again, which proved that the original boundary line was correct.

2. Middle Tennessee Electric (MTE) easements and the impact on her airstrip. She stated that SCP requested that she sign an easement allowing power lines to run across their private grass airstrip. She stated that she agreed provided that the lines were buried beneath the airstrip. Ms. Lamb explained that SCP stated that this request was not possible and that her concern was invalid as the airstrip had not been registered. She stated that she provided documentation and correspondence with the Federal Aviation Administration (FAA) citing that registration was not required.

Ms. Lamb stated that after months of discussion, MTE advised SCP that burying the power lines was the only viable option to provide power to the subdivision without impacting the existing airstrip. She noted that SCP has agreed to bury the lines at their expense.

3. Road expansion and property acquisition – Ms. Lamb stated that she agreed that the expansion was necessary to maintain safety, due to the increase in traffic. She noted that she and SCP have agreed on a number of issues since August 2025, road expansion is not one of them and she has hired counsel to assist negotiations with SCP and discussions with the city manager. She further stated that the use of eminent domain was cited as an option.

Ms. Lamb concluded that the rural community is changing with development which will have lasting impacts on farms, landowners and infrastructure. She asked Council to consider the type of precedence the City will set, if it utilizes eminent domain in negotiations with property owners near the development. She requested that Council consider the situation and inform her, if they intend to use eminent domain for her property. Ms. Lamb noted that all parties preferred a fair resolution to this matter.

## 6) ADOPTION OF THE CONSENT AGENDA

- a. Approval of Minutes:
  - March 21, 2026 Annual Retreat
  - March 26, 2026 Public Hearing
  - March 26, 2026 Regular Meeting
- b. Financial Report – March 2026

City Manager Hellyn Riggins informed Council that the March 12, 2026 Work Session minutes were not available at this time.

Council Member Blair moved to adopt the Consent Agenda without the March 12, 2026 Work Session minutes.

Council Member Hendrix seconded the motion.

## 7) MAYOR AND COUNCIL PRESENTATIONS

There were no presentations.

## 8) DEPARTMENT REPORTS

**City Recorder** – the City Recorder’s report was not available.

**Fire Department**

City Manager Hellyn Riggins informed Council that on April 21, 2026 that she had received an email from Rutherford County Public Safety Director Chris Clark. She stated the following for the record:

“City Manager Riggins,

At approximately 3:00 p.m. on April 21, 2026, the Eagleville Fire Department was notified of a strong odor of natural gas at or near Eagleville school. Upon arrival, personnel conducted atmospheric monitoring throughout the area, however no detectable gas readings were identified.

Crews continued to investigate and initially considered the possibility that industrial activities, specifically fumes from a nearby dumpster manufacturing facility may have been the source of the odor. Unsatisfied with this preliminary conclusion, Chief Armstrong pursued further investigation and made contact with Horton Highway Gas Company.

Simultaneously, Rutherford County and Murfreesboro Fire Department units began receiving multiple reports of gas odors across various locations in the County. Through continued coordination and information sharing, Chief Armstrong identified that a large, controlled gas purge had been conducted by Enbridge near Spring Hill in the vicinity of I-65.

This discovery prompted a coordinated three-way communication between Horton Highway Gas Company, Eagleville Fire Department, and Rutherford County Emergency Management Agency. The information obtained was quickly disseminated countywide, allowing Murfreesboro Fire Rescue and Rutherford County Fire Department to adjust their response strategies to the influx of gas leak calls.

Due to Chief Armstrong’s persistent and thorough investigation, fire departments across Rutherford County were able to modify their operational approach and deliver an informed, measured response to what initially appeared to be multiple unrelated incidents. His urgency, experience, and commitment to situational awareness played a critical role in ensuring an effective and coordinated response.

We appreciate Chief Armstrong’s leadership and dedication, which significantly enhanced the safety and efficiency of operations across the county.

Chris Clark

Rutherford County Public Safety Director”

Mayor Leeman thanked Chief Armstrong. Ms. Riggins told Chief Armstrong that this letter would be entered in his personnel file.

Chief Armstrong noted that this was unexpected and expressed his gratitude.

### **Financial Consultant’s Report**

#### **Parks Department**

#### **Police Department**

Mayor Leeman called Interim Police Chief Joshua Silva-Bieber to the podium.

Interim Chief Silva-Bieber informed Council that he had communicated with Tennessee Bureau of Investigation (TBI), the Peace Officer Standards and Training (POST) Commission and the Rutherford County Sherriff’s office to inform them of the changes with the Eagleville Police Department and to maintain the department’s compliance. He stated that he ensured that the department did not lose access to the programs they need to run operations.

Interim Chief Silva-Bieber stated that the department is compliant across the State of Tennessee and may continue to function as a police department.  
Council expressed their appreciation for his efforts.

Ms. Riggins noted that due to his efforts in contacting the various agencies, it was necessary that she appoint Officer Bieber, immediately, to Interim Chief. She noted that he will act as such until further notice and would like to discuss the future of the department at Council's May Work Session.

Ms. Riggins emphasized her appreciation for Interim Chief Silva-Bieber's response to the sudden retirement of Chief David Breniser. She stated that he immediately stepped into the role and notified the proper authorities.

**9) CITY MANAGER REPORT**

**10) OLD BUSINESS**

**a. Approve or Deny Ordinance 2026-001 Assigning Zoning Classifications and Criteria for Property to be Annexed Known as Parcel 120 04600 (Second Reading)**

Council Member Brandon Emamalie moved to approve the item.

The **MOTION** passed 4-0.

**b. Resolution 2026-004 Accept and Adopt Birch Traffic Study Regarding Speed Limits on Highway 41A South and Highway 99 (New Salem)**

Council Member Blair moved to approve the item.  
Council Member Hendrix seconded the motion.

Council Member Blair asked when the signs would be installed.

City Manager Hellyn Riggins stated that former Police Chief David Breniser had been working on this and that she and Interim Chief Silva-Bieber would follow up with his contact. She noted that they were planning to install the post for the City and that she anticipates that it will happen soon.

The **MOTION** passed 4-0.

**c. Approve or Deny Resolution 2026-008 Ratification of City Accepted Streets**

Council Member Emamalie moved to approve the item.  
Council Member Blair seconded the motion.  
The **MOTION** passed 4-0.

**d. Approve or Deny Ordinance 2026-002 Speed Limit Policy (First Reading)**

Council Member Blair moved to approve the item.  
Council Member Hendrix seconded the motion.

City Manager Hellyn Riggins confirmed that this clarified which streets were City streets and the established speed limits. It was noted that since the Eagleville Police Department patrols the streets in the Eagleview subdivision, those streets were also listed.

The **MOTION** passed 4-0.

**e. Approve or Deny Ordinance 2026-005 Amendment to Fiscal Year 2025 2026 Budget (First Reading)**

Council Member Emamalie moved to approve the item.

Council Member Blair seconded the motion.

The **MOTION** passed 4-0.

**f. Approve or Deny Ordinance 2026-006, Budget Ordinance for Fiscal Year 2026-2027**

City Manager Hellyn Riggins noted that, though it was not noted on the agenda, this is the first reading for this ordinance.

Council Member Blair moved to approve the item.

Council Member Hendrix seconded the motion.

The **MOTION** passed 4-0.

**g. Approve or Deny Date and Time of Fall Festival to be September 26, 2026 from 9:00 a.m. to 3:00 p.m.**

Council Member Hendrix moved to approve the item.

Council Member Blair seconded the motion.

The **MOTION** passed 4-0.

**i. Approve or Deny Date and Time of the Christmas Parade to be December 12, 2026 at 5:00 p.m.**

Council Member Blair moved to approve the item.

Council Member Hendrix seconded the motion.

The **MOTION** passed 4-0.

**j. Approve or Deny City Hosting First Fridays in Summer of 2026**

Council Member Blair moved to deny Hosting First Fridays in Summer of 2026.

Mayor Leeman seconded the motion.

Council Member Blair clarified that he is not moving to deny having First Fridays, simply that the City cannot host them.

Mayor Leeman concurred, noting that the City does not have the staff and that the Police Department, specifically, is not fully staffed. He emphasized that if the Merchants Association were to resume hosting it, the City would assist.

The **MOTION** passed 4-0.

**k. Approve or Deny City Hosting a 250<sup>th</sup> Anniversary Event**

Mayor Leeman noted that when this item was discussed at the Work Session, they were considering having a time capsule, rather than host an event.

City Manager Hellyn Riggins emphasized that the Events Committee expressed that they were in support of whatever scenario Council decided.

Council Member Blair clarified that if they were to deny this item, that Council does not want an event, however they are not denying the commemoration of the country's 250<sup>th</sup> anniversary.

Ms. Riggins suggested that she meet with the Events Committee to propose alternative ideas for the celebration without having an event on a specific day.

Council Member Blair moved to defer this item to the May Council Meeting.

Council Member Hendrix seconded the motion.

The **MOTION** passed 4-0.

**12) MAYOR'S AND COUNCIL'S CLOSING REMARKS**

**13) ADJOURNMENT**

Mayor Leeman confirmed there was no further business and adjourned the meeting at 7:29 p.m.

## City Recorder's Report

TO: MAYOR AND COUNCIL

FROM: CITY RECORDER

This has been a very busy Spring!

In April, I attended the Tennessee Association of Municipal Clerks and Recorders (TAMCAR) Academy. The association stepped up its education this year and took a deeper dive into critical topics. They offered tools and recommendation for best practices for cybersecurity, meetings, budgeting, records and more. The session hosted by parliamentarians regarding Roberts Rules of Order was especially eye opening. More on that in the months ahead.

We have had 2 annexations to work through with the second ending in the summer. The annexation of Parcel #120-46.00-000 (formerly the Scales property) was just recorded. And now we are in the middle of the next annexation proceedings. The call for the public hearing for the annexation of Parcel #120.02300 (formerly the Moore property) is on the agenda this evening for consideration.

The Recruitment and Retention grant is in progress for Interim Police Chief Joshua Silber. This will be his second of three disbursements.

Fire Department Report – Eagleville Council Meeting 5/28/2026

Good evening, Mayor and Council,

The following are calls responded to by EFD from the council meeting on 5/27/2026 to today:

Total Calls - 30

14	EMS Calls
6	Brush fire
1	Law Assist
2	Weather response
2	MVA's
1	Stand-by/public service
1	Canceled enroute
1	Investigate hazard
2	Structure Fire

As we near the end of our fifth month, we have had **148** runs for the year. Our average response time is **5m:22s**.

For comparison, the National response time is **6 to 8 minutes**. We take great pride in achieving this number.

Congratulations to FF/AEMT Justin Aubin on passing his Advanced EMT National Test. He will become one of our fill-in FF/EMT/Drivers as we move into the future.

As before, we continue to clean, repair and stripe the education unit. We are very excited about the chance to utilize this for fire safety and education throughout upcoming years.

We have an amazing group of Firefighters. They have worked and trained very hard to answer calls while keeping up their certifications and medical licenses. I appreciate them very much and I really appreciate their abilities, as well as their strong response to the City and surrounding community, day after day.

---

We thank each of you for the support of our Fire Department. If you have any questions, please reach out at any time.

Thank you,

J. Armstrong

## April Park Report

- Rentals for April
  - 0-Pavillion Rental
  - 2-Field Rental
- Park Board meeting in April
- Met with Kevin over issues at park.
- No known major issues with park infrastructure currently
- Greg Fox resigned from Park Board.
- Park Board is still discussing how many park board members we can have and are reaching out to candidates to gage interest.
- Park renovation project is hold until we can get park board situation figured out.
- Parking is still an issue during ballgames, I have met with ball club about the handicap parking and parking in front of shop.

Joshuah Silva-Bieber, Interim Chief of Police

## Eagleville Police Department Report to City Council 5/27/2026

1. Officer Isabella Willis and I attended annual weapons qualification training for our department-issued Glock 17 service pistols. Both of us successfully completed and passed all required qualification standards.
2. The department has also been scheduled to attend the required 40-hour annual in-service training and rifle qualification course, which will take place in September.
3. Officer Isabella Willis has successfully completed training with the Tennessee Bureau of Investigation (TBI). As a result, she is now certified and authorized to process and handle Criminal Justice Information (CJI) through the National Crime Information Center (NCIC) system.
4. The Eagleville Police Department remains committed to maintaining professional law enforcement services and continuing to strengthen relationships within the community.
5. Despite currently operating with only two officers, we have maintained a strong presence throughout the city. We continue regular patrols within neighborhoods and subdivisions, as well as conducting foot patrols when possible. During these patrols, we actively engage with residents and visitors by listening to concerns, answering questions, and promoting positive community relationships through continued community engagement efforts.

## News, and Notes:

### Important Information:

**City Manager:** (1) As City Manager, I will always make myself available to any council member to discuss current or on-going concerns with the City. I am also always open to feedback and suggestions of ways we can improve. (2) The Long-Range Committee continues to meet. We are reviewing the Long-Range Plan, now including the Urban Growth Boundary (UGB) and changes to our Zoning Ordinance. We are working on the ARP grant for sewer extension, if possible. (3) The City Manager's meeting with the Planners and Engineers in Rutherford County for March was canceled. Still waiting on the group to tackle Urban Growth Boundaries. (4) Per Council's direction, Will Owen has prepared a sketch for a future parking lot next to City Hall. It is on your agenda for a vote tonight. (5) The posts have been installed for new speed limit signs on 41A and 99 (New Salem). The 40 mph signs have arrived today. I'm hoping to have the signs mounted next week. After tonight's vote on the other areas of speed limit changes, we will address those with new signage as well.

**Special Report:** Regarding the search for a new Police Chief. Prior to your June work session, I will be sending out to you a suggested Search Panel document that creates a panel for the specific reason of appointing a police chief. We can review it at the Work Session, and then at your June meeting, you can appoint your panel members. I am suggesting that we consider a hiring panel to be appointed by the Council with input from the Manager. I think it should consist of at least one member of council, our attorney and another qualified person with experience in the police department. Mike Walker would also be an excellent resource if he is available. In the meantime, Acting Chief Bieber has done a tremendous job along with support from Officer Willis.

**Pending Projects:** (1) **Completed** - Comprehensive speed limit ordinance on agenda for second reading. (2) Review, Edits and Updates to the Personnel Policy. (3) Overhaul of all city applications. (4) Comprehensive fee schedule noting how fees were derived.

**Budget News:** (1) Tonight is the second reading of the City's Current Budget Amendment, and the second reading for the Fiscal Year 2026 2027 Budget. We are awaiting our certified Tax Rate. Once we have that, a third ordinance regarding budgets will need to be adopted setting the Tax Rate. For the Annual Budget, there has been an amendment proposed based on your last work session regarding police salaries. When adopting the annual budget, please take note of the amendment and "Move to Adopt" the budget based on the amendment.

**Finance Report:** Sales tax is holding steady so far for this year.

**Planning/Codes:** 1. You now have one pending annexation. The approximately 256 acre tract known as the Moore Property. 2. City Manager/Planner will propose more updates to the Zoning Ordinance. The current ordinance has been codified with all amendments thus far. 3. The site plan for Smyrna Ready Mix has been approved by the Planning Commission subject to securing enough water for fire protection from CUD.

**Streets and Drainage:** (1) City Manager needs to follow up on new light to be installed in New Town to cover a dark area, now that the paving is complete.

**Sewer:** (1) Will Owen is preparing a Sewer Operator RFQ/P for us to engage for Stephenson Farms. Will Owen will perform the inspections of the STEP plant as it is being constructed. (2) We are currently in discussion with

a property owner to see if a purchase of land would be considered by the owner as a potential site for a future STEP system

Item 10c. Ordinance 2026-006 Budget Ordinance for Fiscal Year 2026-2027 with Amendment

**DATE:** May 4, 2026

**TO:** Hellyn Riggins, City Manager

**FROM:** Michael Walker, Financial/Management Consultant

**SUBJECT:** **FY 2026-2027 Proposed Budget – Recommend Police Amendment**

As we have discussed recently, I have significant concerns about the market viability of the current Police Officer starting pay in July 2026 which is currently **\$51,830** for new hires with no Post Certification and **\$54,422** for certified officers with 1 year experience and satisfactory performance.

The challenge is that surrounding law enforcement agencies, particularly in nearby Williamson County (Sheriff's Department, Franklin and Brentwood) are having trouble recruiting qualified officers so they have significantly increased their entry pay for certified officers with experience. They are now aggressively recruiting Post Certified law enforcement officers due to numerous vacant positions. Starting July 1, 2026, base pay for similar certified police officer positions with 1 year experience will range from **\$69,741** in Brentwood, **\$71,385** in Franklin, and **\$71,885** for Sheriff's deputies. In addition, the departments provide supplemental compensation for travel from home to work and supplement pay for late evening/midnight shifts.

Current salaries for agencies in Rutherford County are in the same range as Williamson County. I do not have salary data for FY 2026-2027, but it is reasonable to assume that the numbers below will increase. Base pay for a Post Certified police officer in Murfreesboro with 1 year experience is currently **\$69,620**. For Rutherford County, non-certified deputies start between **\$53,076 - \$56,961** depending on education. Post certified deputies with 1 year experience make between **\$59,447 - \$63,797**.

While it will be impossible for Eagleville to compete dollar to dollar with the compensation of those departments, I think that steps should be taken to help minimize Eagleville from becoming a training ground for neighboring departments. Consideration should be given by the City Council to increase police officer compensation so that the City can better retain good officers and when required, recruit good ones in the future.

Accordingly, I am recommending the following items be considered by the City Council as an amendment to FY 2026-2027 budget on second and final reading at the May 28, 2026 meeting:

1. Increase the annual starting pay for new hires with no post certification from **\$51,830** **\$55,000**.
2. Increase the pay for Post certified officers with 1 year experience and satisfactory performance from **\$55,000** to **\$60,000**. Base pay for the Corporal position would be 5% higher or **\$63,000**.
3. In addition, police officers would be provided **\$150** monthly (**\$1,800** annually) as an allowance to cover travel expense from home to work.
4. Future compensation increases would be subject to the annual compensation provided to employees by the City Council in the adopted annual operating budgets. Traditional raises for newly hired and Post Certified officers would be prorated on July 1<sup>st</sup> in their first year of service for the period served in the recent fiscal year ending June 30 after being initiated hired or obtaining Post Certification.

If approved, the additional reoccurring cost in the budget for the 3 officer positions on the payroll today, including FICA and retirement, would be **\$19,357**. The travel allowance would cost **\$5,400** so the total cost of the compensation adjustment would be **\$24,757**.

To fund the additional cost, I recommend that we adjust the annual transfer from the General Fund to State Street Aid Fund in the proposed FY 2026-2027 budget of **\$75,000** back to current fiscal year amount of **\$50,000**. Assuming we have good revenue collections in FY 2026-2027, the City should be in a position next spring 2027 to make a larger one-time transfer from the General Fund to State Street Aid Fund to make up the difference and hopefully transfer even more than the \$25,000 for future street repairs and improvements.

Please let me know if you have any questions or need additional information to support this recommendation.

I will be present at the May 14, 2026 work session with the City Council to review the proposed budget amendment and to answer any questions.

AN ORDINANCE OF THE CITY OF EAGLEVILLE, TENNESSEE  
 ADOPTING THE ANNUAL BUDGET FOR THE FISCAL YEAR BEGINNING JULY 1,  
 2026 AND ENDING JUNE 30, 2027

- WHEREAS, *Tennessee Code Annotated* § 9-1-116 requires that all funds of the State of Tennessee and all its political subdivisions shall first be appropriated before being expended and that only funds that are available shall be appropriated; and
- WHEREAS, the Municipal Budget Law of 1982 requires that the governing body of each municipality adopt and operate under an annual budget ordinance presenting a financial plan with at least the information required by that state statute, that no municipality may expend any moneys regardless of the source except in accordance with a budget ordinance and that the governing body shall not make any appropriation in excess of estimated available funds; and
- WHEREAS, the City of Eagleville has published the annual operating budget and budgetary comparisons of the proposed budget with the prior year (actual) and the current year (estimated) in a newspaper of general circulation not less than ten (10) days prior to the meeting where the Council will consider final passage of the budget.

NOW THEREFORE BE IT ORDAINED BY THE CITY COUNCIL OF  
 THE CITY OF EAGLEVILLE, TENNESSEE AS FOLLOWS:

SECTION 1: That the governing body projects anticipated revenues from all sources and appropriates planned expenditures for each department, board, office or other agency of the municipality, herein, presented together with the actual annual receipts and expenditures of the last preceding fiscal year and the estimated annual expenditures for the current fiscal year, and from those revenues and unexpended and unencumbered funds as follows for fiscal year 2027, and including the projected ending balances for the budget year, the actual ending balances for the most recent ended fiscal year and the estimated ending balances for the current fiscal years:

Street Improvements	\$ 20,000	\$ 20,000	\$ -	\$ -

SECTION 5: No appropriation listed above may be exceeded without an amendment of the budget ordinance as required by the Municipal Budget Law of 1982 (TCA § 6-56-208). In addition, no appropriation may be made in excess of available funds except to provide for an actual emergency threatening the health, property or lives of the inhabitants of the municipality and declared by a two-thirds (2/3) vote of at least a quorum of the governing body in accord with Tennessee Code Annotated § 6-56-205.

SECTION 6: Money may be transferred from one appropriation to another in the same fund only by appropriate ordinance by the governing body, subject to such limitations and procedures as it may describe as allowed by Section 6-56-209 of the *Tennessee Code Annotated*. Any resulting transfers shall be reported to the governing body at its next regular meeting and entered into the minutes.

SECTION 7: A detailed financial plan will be attached to this budget and become part of this budget ordinance. In addition, the published operating budget and budgetary comparisons shown by fund with beginning and ending fund balances and the number of full time equivalent employees required by Tennessee Code Annotated § 6-56-206 will be attached.

SECTION 8: The City of Eagleville plans to adopt by separate ordinance the Certified Tax Rate (CTR) once it is calculated and reviewed by the Assessor and City Manager, then reviewed by the State Board of Equalization. Estimated property tax revenues in the Fiscal Year 2026-2027 budget are based on the assessed value of real and personal property from the Fiscal Year 2025-2026 budget.

SECTION 9: This annual operating and capital budget ordinance and supporting documents shall be submitted to the Comptroller of the Treasury or the Comptroller's Designee for approval pursuant to Title 9, Chapter 21 of the Tennessee Code Annotated within fifteen (15) days of its adoption. If the Comptroller of the Treasury or the Comptroller's Designee determines that the budget does not comply with the Statutes, the Governing Body shall adjust its estimates or make additional tax levies sufficient to comply with the Statutes or as directed by the Comptroller of the Treasury or Comptroller's Designee.

SECTION 10: All unencumbered balances of appropriations remaining at the end of the fiscal year lapse and revert to the respective fund balances.

SECTION 11: All ordinances or parts of ordinances in conflict with any provisions of this ordinance are hereby repealed.

SECTION 12: If for any reason a budget ordinance is not adopted prior to the beginning of the next fiscal year, the appropriations in this budget ordinance shall become the appropriations for the next fiscal year until the adoption of the new budget ordinance in accordance with the Section 6-56-210, Tennessee Code Annotated provided sufficient revenues are being collected to support the continuing appropriations.

SECTION 13: This ordinance shall take effect July 1, 2026, the public welfare requiring it.

## Required Budget Worksheet

### Municipalities, Counties, and Metropolitans

The following tables prompt basic information central to our Office’s review and analysis of your budget. **This worksheet is required for all budget submissions.**

#### Step 1: Entity Name and Budget Year

Enter Entity Name →

Enter Budget Year →

#### Step 2: FUND and CASH Balances – Governmental (Non-Utility) Funds

1. Enter estimated beginning unrestricted fund and cash balances for all budgeted governmental (non-utility) funds for the beginning of the budget **Fiscal Year 2027**.
  - *Unrestricted Fund Balance = Committed + Assigned + Unassigned Fund Balance*
  - *Unrestricted cash includes cash resources not restricted for a specific purpose. For example, checking and saving accounts, investments, LGIP, etc.*

##### How to Calculate Beginning Unrestricted Fund Balance

- a. *Begin:* Obtain ending unrestricted fund balance (committed + assigned + unassigned) from most recent audit.
- b. *Add:* Estimated revenue received through the end of the current fiscal year.
- c. *Subtract:* Estimated expenditures incurred through the end of the current fiscal year.
- d. *Adjust:* Be sure to adjust for any restricted items.

Item 11a. Direction for Downtown Parking Lot

**FORMER POLICE/FIRE BUILDING SITE  
PARKING LOT IMPROVEMENTS**

**From:** Michael Walker <walkerhood@gmail.com>

**Subject:** Parking Lot Resurfacing Budget - Financial Recommendation

Hellyn,

I have reviewed Will's proposal (which follows) for construction of the parking lot on the former Fire/Police site next to the City Hall. While some minor tweaking of the attached layout may be warranted, overall, I think the plan is a solid capital investment and will improve/expand parking for both City Hall and Downtown. And to do nothing and the leave the site as is for another year or longer in its current abandoned condition does not seem to be wise as construction costs will likely increase with delays.

The additional parking lot cost (from the current proposed funding of \$160,000 to \$225,000) will require an adjustment in the proposed amendment to the current FY 2026 budget that will be considered on first reading by the City Council at the April 23, 2026, meeting. As the project is a "non-reoccurring" expense, and the projected fund balance in General Fund still meets the desired criteria of maintaining a balance more than next year's (FY 2027) proposed budget, I believe that the City can afford increasing the proposed amendment transfer to the Capital Projects Fund from \$400,000 to \$450,000. Funding would be allocated as follows:

- Park Improvements - \$225,000
- Parking Lot Improvements - \$225,000.

The repairs to City Hall currently underway and needed (\$15,000) can be funded from the projected fund balance in the Capital Projects Fund on June 30, 2027. This will decrease the amount from greater than \$49,000, down to \$34,000. This still provides some cushion for unanticipated costs that may occur in that fund next fiscal year.

Please let me know if you have any questions or need additional information.

**Subject:** RE: Parking Lot Resurfacing Budget - COST ESTIMATE

Hellyn and Mike,

Per recent discussions with Hellyn, I have explored some possible cheaper options for expanding public parking in the vicinity of City Hall.

I have toyed with several layouts and wanted to send one of them over for you guys to take a look at.

This option is likely one of the cheapest options that would still provide a meaningful number of parking stall additions while keeping a paved surface (i.e. we are all fairly confident that a gravel parking area is not desired by any of the Council members and isn't consistent with staff's desire for that area either).

This option takes full advantage of the existing asphalt footprint and former building footprint so there isn't a great deal of costs associated with fill material for grading or base stone. It results in 34 additional spaces plus 2 handicap spaces. The construction cost estimate I have derived on this option is \$185,000 and that includes a 15% contingency. I suspect bids might come in less than that number but for budget purposes I'd like to keep that as the number for now.

I would recommend an additional \$35,000 for incidentals (i.e. design, bidding, permitting, contract admin) and \$5,000 for inspection.

That would get us to a total project cost of approximately \$225,000.

Item 11d. Referral of Ordinance 2026-004 Zoning Criteria for  
Annexation to Planning Commission

## ORDINANCE 2026-004

### AN ORDINANCE ASSIGNING A ZONING CLASSIFICATION AND CREATING SPECIFIC CRITERIA IN ANTICIPATION OF ANNEXATION OF PROPERTY KNOWN AS PARCEL 120 02300

**Whereas**, Section 5.080 of the Eagleville Zoning Ordinance allows for Planned Developments and Section 5.081 specifically addresses Planned Residential Developments; and

**Whereas**, the Eagleville Planning Commission has reviewed criteria for Parcel 120 02300 and recommends the property be annexed and zoned R-1 PRD with following as requirements in addition to the requirements of 5.080 and 5.081 of the Eagleville Zoning Ordinance for any development on this property; and

**Whereas**, the Eagleville City Council desires to accept the recommendation of the Eagleville Planning Commission by setting specific criteria in addition to the requirements of Eagleville Zoning Ordinance Sections 5.080 and 5.080 (and other relevant criteria in the Zoning Ordinance) for Parcel 120 02300 owned by John Moore, or any future Development located at this parcel as a binding agreement for Annexation;

**NOW THEREFORE, BE IT ORDAINED** by the City of Eagleville, Tennessee City Council that the Parcel 120 02300 being annexed by the City of Eagleville be zoned R-1/PRD and the following criteria shall be applied and required when reviewing any subdivision or development submitted for Parcel 120 02300.

#### **General Requirements**

1. The property is located along the eastern side of Highway 41A, south of the intersection of John Windrow Road. The site is identified as Rutherford County Tax Map 120 Parcels 23.00 and is approximately 256 acres of residential land area.
2. The minimum lot size will be 43,560 square feet.
3. Most homes will be 2,500 square feet or greater, and have 1, 2 (or 3) stories. A maximum of one-third of the housing stock may be between 2000 and 2,499 square feet, and one to one and a half (or two) stories. The smaller (2,000 – 2,499 square feet homes) must be dispersed throughout the neighborhood and not grouped together. No house shall be less than 2,000 square feet. Square footage implies heated and cooled, living areas. A story implies a livable area. All homes will be single family detached homes, and only one dwelling per lot.
4. All homes shall be a minimum of 3 bedrooms with a maximum number of 5 bedrooms per house based on STEP capacity.

5. The home elevations shall be constructed of brick or synthetic (Centurion or similar) stone. Cement fiber board is also permitted when in combination with brick and/or stone placed on at least 3 of the 4 sides of the structure. The brick and stone must be at least 25 percent on each of the three (or four) sides. Vinyl shall be permitted in trim and soffit areas only, with a maximum of 10% per house. No one side can have vinyl exceeding 10% of that side.
6. Both entrances off Highway 41A will have new entrance signage consisting of masonry, wood, and/or metal materials. The signage will be anchored by landscaping.
7. Solid waste collection will be handled by a private company.
8. Mail service will be provided via a Centralized Cluster Box Unit with a roof structure, that is to be approved by the USPS and maintained by the HOA. The Centralized mail kiosk for the development must be completed and operational prior to any homes receiving their certificate of occupancy. Any kiosk must have adequate off-site parking.
9. The development shall provide access to any existing cemetery on the site.
10. Parking areas on common open space lots shall be private and maintained by the HOA.
11. Each home shall be on its own lot of record and sold fee simple.
12. This project is anticipated to be built in 3 phases.
13. The first phase will include all roadway improvements proposed for the lots in the first phase, as well as access to the STEP System via a City approved access.
14. The remaining phases will be market driven and dependent upon the absorption of the units in the previous phases.
15. All amenities and open spaces shall be constructed within the phase they are shown and must be operational prior to the recording of the final section's plat.

### **Development Standards**

1. Parking for the residential units will comply with the City of Eagleville requirements, within a minimum of each lot having at least 4 paved parking spaces per lot (outside of garage).
2. Each home shall have a minimum two car side entry garage with decorative garage doors. In combination with the side entry, two car garage, homes are permitted to have a one bay detached or attached garage that is permitted to face the street. The street facing garage shall have a decorative garage door that matches the main side entry garage doors, and the architecture and materials shall be consistent with the house. The secondary garage must be approved by the HOA if not submitted with the original permit. In cases of a corner lot, it is understood that one side may have a garage facing one of the streets.

3. All driveways shall be wide enough for 2 vehicles, with a minimum width of 16-feet and a minimum length of 35-feet, measured from the back of the sidewalk to the garage door.
4. Only in-ground pools shall be permitted on lots with fencing to meet Development Standards. Pools must meet requirements of City pertaining to setbacks.
5. All HVAC units shall be screened from public R.O.W's with landscaping. HVAC units shall be placed at the side or rear of each residence.
6. Private lots with fences shall only use black, Estate Style iron or aluminum fencing. Fencing on lots shall only be allowed in the side and rear yards. Corner lots may have a fence on the street side of which the house does not face and shall not exceed into the required front setback.
7. All fencing in the amenity areas and open spaces shall be approved during the subdivision process and consistent throughout the entire development.

### **Streets and Infrastructure**

1. Decorative streetlights shall be provided along all roadways to add character and continuity to the neighborhood, but also providing adequate lighting. Adequate lighting for safety, avoiding dead spots, will be designed to meet Middle Tennessee Electric (MTE) standards for light poles along public streets. Electric billing for lighting, mail kiosks, entrance features, irrigation and other supplemental amenities shall be paid by the HOA.
2. Electric Service will be provided by Middle Tennessee Electric.
3. All electric and communications line extensions constructed to provide service to the development shall be underground.
4. Street signs and traffic signs will be "decorative" and approved by the Planning Commission during the subdivision process.
5. The HOA will maintain all common areas.
6. Water service will be provided by Consolidated Utility District. The developer will be responsible for extending the waterline into the site for domestic and fire protection. Water service (availability and pressure) must be approved by the City Planner and/or Eagleville Fire Department.
7. Sanitary sewer services will be provided by CUD via an on-site STEP System. The developer is responsible for the installation, and upon its completion, ownership shall be turned over to the City of Eagleville to own and maintain.
8. All streets will be public rights of way, and built with rollover integral curb and gutter, built to City required standards.

9. A portion of the property along Highway 41A lies within a 100-year Floodplain per FEMA Flood Panel 47149C0220J Eff. 05/09/2023. BFE's shall be established by developer's engineer and planning shall be in accordance with TDEC and the Corps of Engineers requirements. Planning approvals shall be reviewed and approved by the City.
10. Prior to construction plan review, a complete and thorough design of the stormwater management system and facilities will be completed.
11. Highway 41A is a State Highway that the development will utilize for access to the property. All roadway connections to Highway 41A shall be coordinated with TDOT and the City of Eagleville.

### **Architecture**

1. Building heights shall not exceed 35 feet in height.
2. Most homes will be 2,500 square feet or greater, and have 1, 2 (or 3) stories. A maximum of one-third of the housing stock may be at 2,000 – 2,499 square feet, and one to one and a half (or two) stories. The smaller (2,000-2,499 square feet homes) must be dispersed throughout the neighborhood and not grouped together. No house shall be less than 2,000 square feet. Square footage implies heated and cooled, living areas. A story implies a livable area. All homes will be single family detached homes, and only one dwelling per lot.
3. Single story homes shall have architectural elements which allow the home to blend into the larger homes with peaked roofs, dormers or other elements adding height to the single-story homes.
4. All homes will have at least 3 bedrooms.
5. All the homes will have eaves.
6. All homes will have a patio area at the rear of the home.
7. All homes will be located on individual lots of record.
8. All homes will have a primary 2-car side entry garage. Garages will have decorative doors.
9. Each home shall have a minimum two car side entry garage with decorative garage doors. Homes are permitted to have a one bay detached or attached garage that is permitted to face the street. Any detached garage must meet the primary structure setbacks. The street facing garage shall have a decorative garage door that matches the main side entry garage doors, and the architecture and materials shall be consistent with the house. The secondary garage must be approved by the HOA if not submitted with the original permit.

10. Accessory Buildings will complement the house with the same or similar materials. No metal buildings unless they have been supplemented with approved house materials to appear consistent with the house.

11. Buildings will be comprised of alternating home styles and home colors and shall be approved according to the CCRs. Brick (different colors will be allowed), Fiber Cement Board (different colors will be allowed) if supplemented with brick and stone per General Requirements #5 above, Fiber Cement Board and Batten (different colors, cuts, patterns will be allowed) if supplemented with brick and stone per General Requirements #5 above, Synthetic Stone Veneer (different colors, cuts, patterns will be allowed).

12. Building Materials – All Elevations: All Masonry (Brick, Stone, Cement Board Siding) and Cement Board Siding in the Dormers/Gables. All Elevations: Vinyl Only Permitted in Trim & Soffit Areas (10% MAX).

13. Architectural styles shall be or similar to (if approved by HOA and City) the following: Prairie, English Country, Farmhouse, Craftsman, Colonial, and Tudor.

14. Roofs. There shall be a minimum pitch on all roofs of 6/12. Covered porches may have a minimum pitch of 3.5/12.

15. The minimum height is 35 feet. Due to pitched roofs, the Planning Commission can approve up to 40 feet in height.

### **Bulk Requirements**

1. Minimum lot size 43,560 square feet.
2. Architectural styles shall be or similar to (if approved by HOA and City) the following: Prairie, English Country, Farmhouse, Craftsman, Colonial, and Tudor.
3. Minimum lot frontage – 90 feet (except lots located within the arc of the cul de sac may be less)
4. Minimum lot width – 90 feet (except lots located within the arc of the cul de sac may be less)
5. Minimum Front Setback – 40 feet
6. Minimum Front Setback for corner lots – 40 feet
7. Minimum Side Setback – 20 feet
8. Minimum Rear Setback – 25 feet

### **Landscaping Characteristics:**

1. On common open space lots, a minimum of 10-feet of landscape area shall be provided between a parking area and all adjacent property lines.
2. On common open space lots, parking areas shall be screened from public rights-of-way by use of landscaping and/or berms.
3. The frontage along Highway 41A will be lined with a fence to be approved by the Planning Commission. Any landscaping provided along Highway 41A shall be designed to not impede the visibility of vehicles entering or exiting the site onto Highway 41A.
4. All above ground HVAC units shall be screened from public R.O.W.'s with landscaping.
5. No utility panels shall be mounted on the front elevation of any home. In cases of two frontages, when no other option is available, the panel may be mounted on the side where the garage is located.
6. On corner lots, builders shall install a minimum of a 3-foot-wide landscape strip along all sides that face/about a public R.O.W. On lots internal to the street block, builders shall install a minimum of a 3-foot-wide landscape strip at the base of the homes that front onto/about a public R.O.W.
7. Landscaping will be in conformance with the City of Eagleville's landscaping ordinance.
8. All front lots shall be sodded before a CO will be issued. On corner lots, builders shall install sod in all yards that face/about a public R.O.W.'s to the back of curb along those streets. On lots internal to the street block, builders shall install sod only in the front yard to the back of curb along that street the house fronts onto.
9. Builders shall install one (1) front yard canopy tree with a minimum of 1.5 caliper inches for each lot. Species of tree to be coordinated with City.

Item 11i. Resolution 2026-009 Eagleville Park Board

**Resolution No. 2026-009 Replacing Resolution  
Resolution No. 2022-004**

**A Resolution of the City of Eagleville, Tennessee  
Creating the Eagleville Park Board**

**WHEREAS**, Tennessee Code Annotated § 6-19-101 (a)(15) and (a)(27) provides that a city may establish a board to manage and regulate its park lands as needed and as deemed in such a way necessary.

**WHEREAS**, the City has an interest in regulating and maintaining its parks.

**WHEREAS**, the City finds that it is advantageous for the welfare of the City and of its citizens to create an advisory Park Board to provide guidance in the maintenance of its parks.

**NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF EAGLEVILLE, TENNESSEE, the following:**

**SECTION 1. Creation.** That the City of Eagleville is hereby creating an Eagleville Park Board.

**SECTION 2. Membership, Appointment and Terms.** The Park Board shall consist of five (5) members and two (2) alternates that reside in Rutherford County. All members shall be appointed by the City Council with one (1) member being a seated member of the City Council appointed by the City Council. Terms of the members shall be for four (4) years, with staggered terms arranged in such a way as to allow for two members' terms to expire every year, and the Councilperson's term shall run concurrent with his/her term of office. The Councilperson on the Board shall serve as the Chairman of the Park Board. At each new year (January), the Park Board shall appoint a Secretary from its member ship to take minutes and assist with record keeping.

**SECTION 3. Time Devoted to Duties.** The members of the Park Board shall devote such time and attention to the duties of the Park Board as may be required, and their services shall be without compensation.

**SECTION 4. Duties and Responsibilities.** The Park Board shall recommend to the City Council future acquisitions of land for parklands, future capital improvements needed for existing parks, park policies and other items as may be relevant to the function of the existing park and promotion of future park lands.

**SECTION 5. Time and Place of Meetings.** The Park Board shall meet when the Chairperson or City Council feel sufficient business is in existence to justify such a meeting. The time and place shall be set by the Chairperson.

**SECTION 6. Effective Date.** This resolution shall take effect from and immediately after its passage, the public welfare requiring it.

**WHEREUPON,** the Mayor declared the resolution adopted, affixed a signature and the date thereto, and directed that the same be recorded.
